HOW TO USE YOUR INFLATABLE DUDES

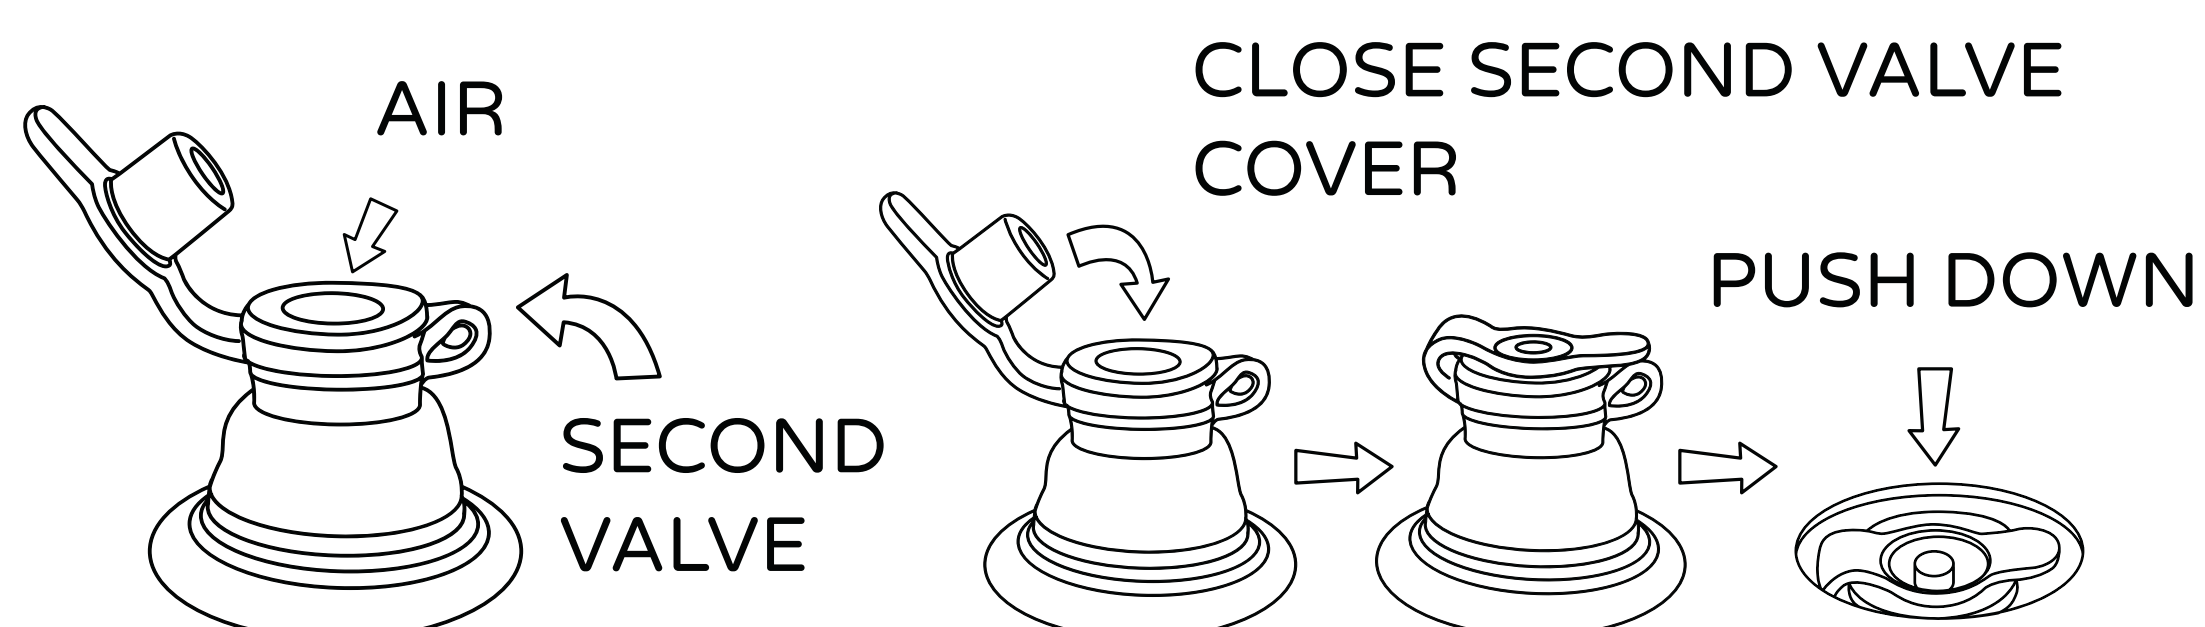

An electric or hand pump is recommended.

HOW TO INFLATE

- 1 Use a pump to fill the first valve with air. Once filled, close the valve cover.

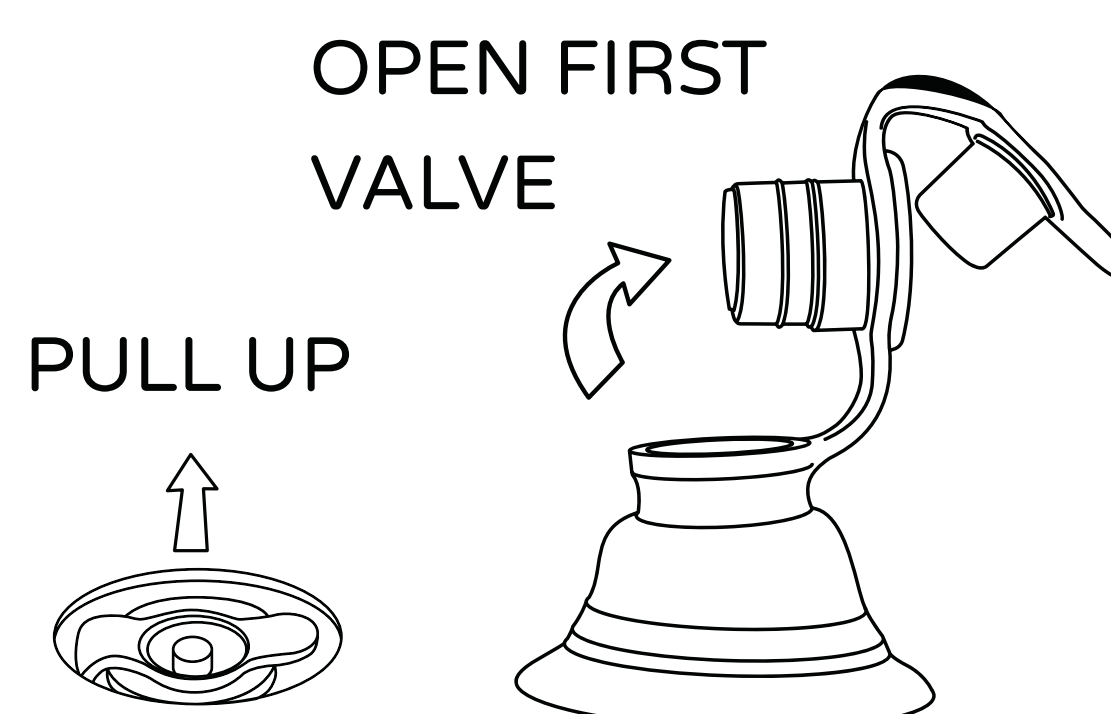

- 2 Blow air into the second valve until it is full. Push the valve down firmly into the punching bag, then close the valve cover.

HOW TO DEFLATE

- 1 Pull out all the air valves from the punching bag. Open each valve completely to let the air escape.

MAINTENANCE AND CARE TIPS

RECOMMENDED INFLATION LEVELS

DON'T OVER INFLATE.

If the seams look like they're stretching or bulging, let a little air out. Overinflation can make your Inflatable Dude feel too tight, putting stress on the seams.

DON'T UNDERINFLATE.

If your Inflatable Dude is sagging or looks a bit floppy, it's time to add a few more puffs of air!

PROPER INFLATION.

Your Inflatable Dude should feel firm but have a little give when pressed, standing tall and smooth without sagging or bulging. This ensures the perfect balance for fun and durability!

CARE TIPS

PICK IT UP, DON'T DRAG.

Keep your Inflatable Dude safe by lifting it instead of dragging across rough ground. This helps avoid wear and tear on the bottom.

BE GENTLE WITH THE ARMS.

Don't pull, tug, or twist the arms or features—they're not built for that kind of action! Pulling on them can cause leaks or weakened seams.

KEEP SHARP THINGS AWAY.

Sharp objects like pins, scissors, or rocks can tear the material, so always make sure your Inflatable Dude's play area is free of them.

SUPERVISE THE FUN.

Kids should be bouncing, punching, and playing—but not standing or jumping on the Inflatable Dude. For sitting, make sure it's no more than 100 lbs.

PLAY ON SMOOTH SURFACES.

Grass, carpet, or soft mats are the best spots for your Inflatable Dude. These smooth surfaces help it stay in top shape.

KEEP IT CLEAN, KEEP IT FUN.

Use a soft cloth with mild soap and water to wipe down your Inflatable Dude—no harsh cleaners or scrubbers, please!

KEEP IT COOL (OR WARM!)

Don't use or store your Inflatable Dude in temperatures over 120°F or under 32°F. Extreme heat or cold can mess with the material, so store it in a cool, dry place to keep it lasting longer.

OUR PROMISE

Defective product?

We stand behind the quality of our Inflatable Dudes and offer a **100% money-back guarantee** or exchange within 90 days of purchase. If you're not fully satisfied, please contact us at contact@theinflatabledudes.com to begin the return or exchange process.

Within 30 Days:

If your purchase was made through Amazon.com or Walmart Marketplace, you are required to process your return directly through their platform, as their return period is limited to 30 days from the date of purchase.

After 30 Days:

If it's been more than 30 days since your purchase, please contact us directly for assistance with a return or exchange under our 90-day warranty.

Note: International buyers are not eligible for returns or exchanges after 30 days, as we are unable to process these for international orders.

Activate Your Extended Warranty!

Thank you for purchasing your Inflatable Dude! For added protection, register for an **extended warranty** within **14 days** of purchase. Simply follow the steps below:

1. Visit <https://theinflatabledudes.com/extended-warranties/>

2. Pay for your warranty (if applicable).

Note: You may need to provide your order details for verification.
